TO: RMC Governing Board

FROM: Mark Stanley, Executive Officer

SUBJECT: Item 7B: Executive Officer's Report - Capital Outlay & Support Budget

BACKGROUND: This report includes information on both the RMC capital outlay and support budgets and expenditures.

Capital Outlay

The Capital Outlay report contains information on the total capital outlay funds appropriated, encumbered and remaining from Propositions 40, 50, 84 and 13. For a detailed report on each approved grant and associated fund level, please refer to Item 9 on the agenda, Cumulative Grant Project Status Summary.

This report reflects balances as of April 30, 2015.

Highlights:

The Open End Programmatic fund structure approved by the governing board in March 2012 provides the opportunity to evaluate projects considered for future funding individually. Future funding projects will have some association with the RMC list of programs and projects receiving merit but unfunded. Each project will get evaluated on an individual bases until such time as another round of bond funds are approved and received.

Projects Pending Encumbrance:

RMC13002- Gateway Cities and Urban Planning Project - The Gateway Cities and Rivers Urban Greening Master Planning Project will develop a greenway and green infrastructure plan for the "missing middle" section of the Los Angeles River and surrounding Gateway cities region. The plan will provide the necessary momentum to pursue further investment for improvement along this lower section of the LA River, as well as, the Lower San Gabriel River on the scale that is currently planned for the LA River Revitalization project in downtown. (\$250,000)

RMC14003-Willowbrook Walking Path Compton Creek Project- In October 2013, the Los Angeles Conservation Corps submitted a grant proposal to the Strategic Growth Council for the Willowbrook Walking Path Compton Creek project located in the unincorporated area of Los Angeles County, bordering the City of Compton. The funding request was for a total of \$798,815 and included the extension of the Willowbrook Walking Path, creating a ½ mile linear park along the Compton Creek. This project is an extension of an existing walking path around Carver Park funded by RMC.

For the Willowbrook Walking Path grant application, the Rivers and Mountains Conservancy was listed as one of the three partners that would each provide a matching grant in the amount of (\$300,000) including the office of the 2nd Supervisorial District and the State of California Coastal Conservancy. The total project amount is \$1,698,815 and the grantee has been notified that their grant was approved in the amount of \$798,815. (\$300,000)

RMC14004-Rio Hondo Trail Acquisition Project- This project consists of acquiring of up to 11 acres fee simple land and/or up to 22 acres of conservation easement for open space, wildlife habitat conservation, and allow for future trailhead development adjacent to the Rio Hondo tributary of the Los Angeles River. The subject property is immediately adjacent to an active restoration effort and along with this acquisition will further conserve habitat capable of supporting a significant California gnatcatcher population of this federally threatened species. (\$1,000,000)

RMC15102- The WCA proposes to complete pre-acquisition activities, including due diligence review, and the potential subsequent conveyance of approximately 110 acres of foothill open space, referred to herein as the Roberts Canyon Foothill Area. This area is located within the vicinity of where Roberts Canyon meets the San Gabriel Canyon, within the northern portion of the City of Azusa, and is comprised of portions of Assessor Parcel No. 8684-006-005, 8684-008-013, 8684-025-029, 8684-052-002, 8684-052-009. The subject open space properties are contiguous to the WCA's River Wilderness Park and include high value natural resources. A vicinity map is included as Exhibit A, and shows the adjacency of the River Wilderness Park. (\$52,500)

RMC15104- RMC Resolution 2008-36 and 2011-12 adopted the Upper Santa Clara River IRWMP and execution of a Memorandum of Understanding with the RWMG which committed the RMC to becoming an official ex-officio member of the RWMG. As a member and governed by the MOU, RMC contribution is \$10,000 for consultant services in preparation of the IRWMP. Resolution 2014-06 adopted the Final and Updated Upper Santa Clara River IRWMP and approved funding for the cost sharing. (\$10,000)

Support Budget and Expenditures

Fiscal Year 2014/15 Support Expenditures Report: The attached Exhibit A outlines projects that have received advance funds. Each project that receives advance funds must reconcile upon expenditure. The attached Exhibit B "Fiscal Year Support Expenditures" report assists the RMC in tracking allocated income and expenditures for each fiscal year. The revenue section of the report delineates the four fund sources for operations: the Environmental License Plate Fund, Propositions 40, 50 and 84. The reports include expenditures that have been processed and sent to Contracted Fiscal Services for payment.

The expense report displays and tracks the administrative and operation expenses for the RMC. The report includes Personnel Services and Operating Expenses/Equipment. The cumulative contract report for the support budget is attached as Exhibit C. This report includes contracts executed under the Executive Officer's Discretionary Approval for under \$10,000.00 and those over \$10,000.00 that have been approved by the RMC Board.
